DEDICATION

THE 1955 VALHALLA is proudly dedicated to Mr. William F. Johnson — who has guided our student council through its two years of existence. He has merited not only our respect but also our honest admiration; and we value him, history teacher and sincere friend, in high esteem.

Foreword

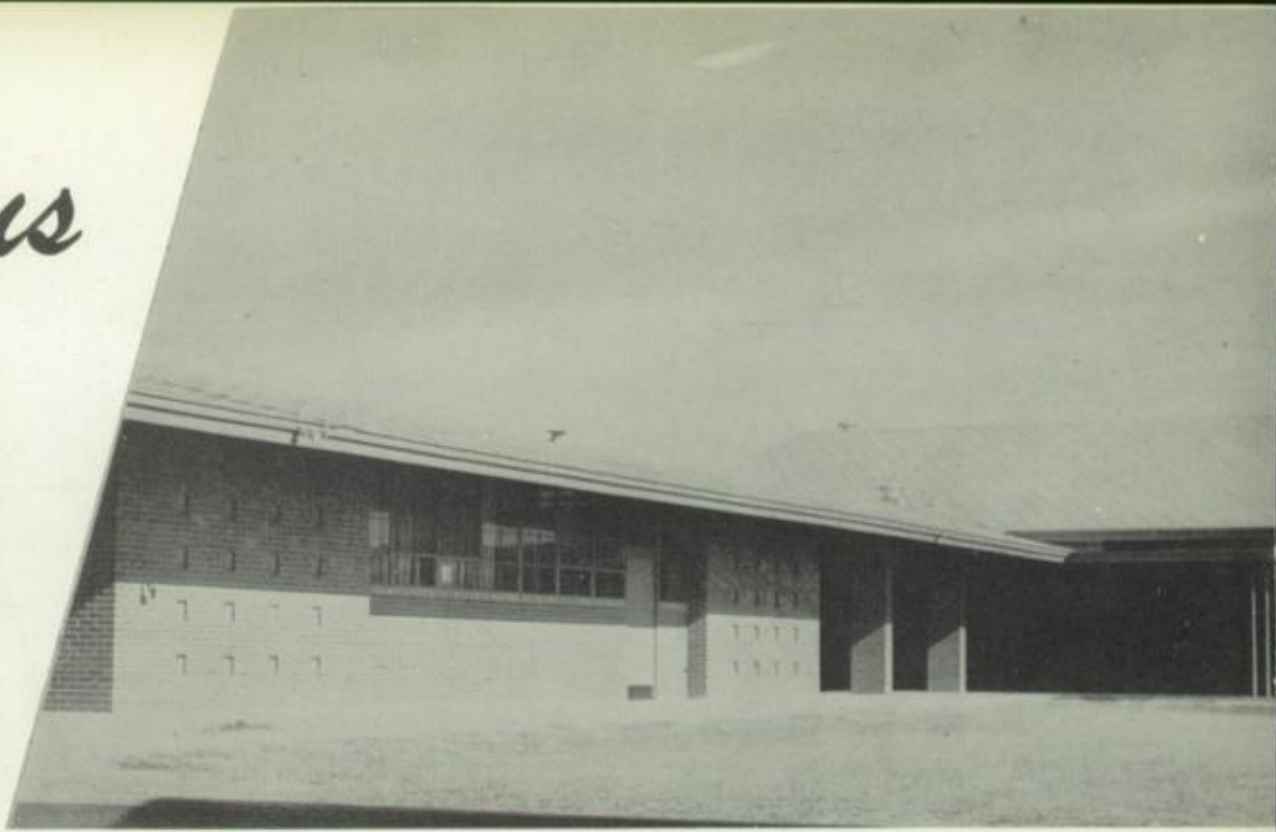

WE COME AND GO . . . each playing our part. The human drama and comedy is enacted here, each day, through four years.

What harder part to play than that of being ourselves . . ? What task more difficult than to see ourselves as we really are . . ? What greater role have we to perform than that of an honest man . . ?

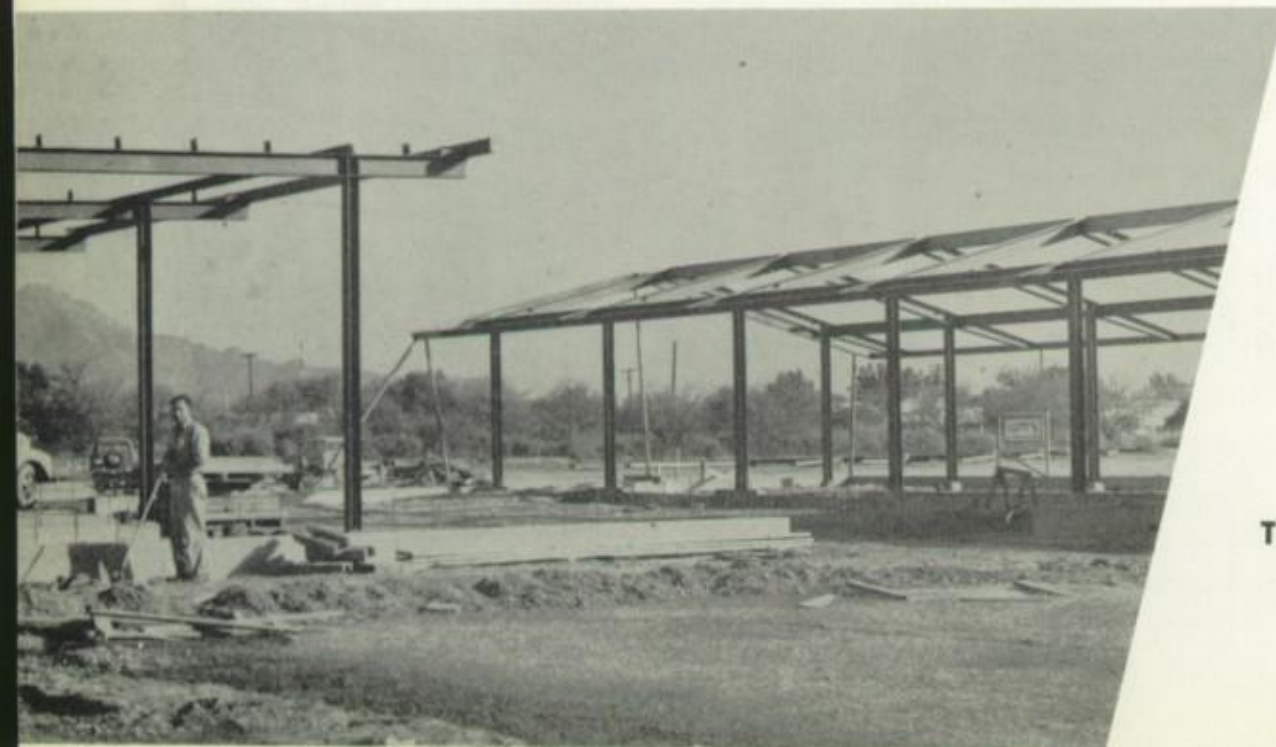

The hall of Sunnyslope High – in silence – will eternally hold the memory of our performance in this one scene of life's many.

Mr. J. D. Harriott, Mrs. G. Hall, Mr. Harold Lowe, Dr. R. K. Trueblood, Mr. John DeBolt. Head of Board of Education, Dr. Robert W. Ashe, not shown.

WE GIVE our thanks to Mr. Chauncey B. Coor, Dr. Robert W. Ashe, and the board for helping us through our second year in Sunnyslope High School.

CHAUNCEY B. COOR
Principal

The privilege of attending a public high school in America is one of the richest experiences any youth could wish for. There are many desirable situations encountered here at high school which effect our youth for the rest of their lives. Not only are there times of seriousness and vital concern for the betterment of our academic background, but many gay times at social events and the occasions when we pull together as spectators for our team.

If you realize all these things and endeavor to put your whole self into your school— your school will give you everything you want and need for life.

I want to wish everyone of you to always have a happy and successful life.

RECIPIENTS of Junior Chamber of Commerce scholastic awards were **Jacky Kennedy** and **Bob Bonheimer**.

Leaders and Scholars

LEADERSHIP, character and service were the qualities which seniors Bob Bonheimer and Susan Kleinschmidt possessed to receive manhood and womanhood awards, according to the American Legion Auxiliary No. 75 of Sunnyslope. They will have their names engraved on the permanent plaque in the trophy case.

STUDENTS WHOSE scholastic ability placed them at the top of their class are pictured above. They are the newly inducted members of the National Honor Society.

Honors and Tours

BOYS STATERS and Girls Staters are pictured above (center) after having been elected to represent their school. Boys go to Flagstaff for their instructions in municipal government, and the girls go to Tucson.

SUNNYSLOPE HIGH'S choir tour took them to Flagstaff on May 2 and 3 as they musically invaded Arizona North. Pictures show students caught in informal poses as they sit in the bus that took them up north.

Junior-Senior Prom

HAWAII CALLS! Approximately two-hundred students jammed the Sunnyslope cafeteria April 30 for the Junior-Senior Prom. The most formal dance of the year had its moments of informality as the girls kicked off their shoes and danced in their stockinged feet.

Bob Bonheimer, senior class president, and his date, **Gerry Tope**.

Tom Potter, junior class president, and his date, **Betty Conlan**.

JUNIOR-SENIOR PROM committee and sponsors who put over the dance of the year are: (front row) Mrs. Sherwood, Kay Suddarth; (back row) Walter Monnier and Mr. Masters.

Senior Ditch Day

MR. SEWRIGHT and Mr. Kempff, senior class sponsors, agreeing that life can be beautiful! Mr. Sewright saw to it that the seniors enjoyed themselves on ditch day while cavorting at Sundown Ranch.

THEY NEVER HAD IT so good! No books, no teachers (except Mr. Sewright and Miss Bryant) to plague them! These seniors led the life of Riley for one day as they relaxed at Sundown Ranch.

FUN IN THE SUN! That's just what these senior girls were having on ditch day!

Only time will tell what's ahead for each of
you: maybe fame . . . or fortune . . . or,
maybe both. In any case, the real measure of
success is not fame or fortune; it's freedom.
Freedom to think, freedom to speak, and
freedom to act. Your biggest responsibility is
the protection of those freedoms for yourself and for others.
What's ahead depends on your efforts. Fame and fortune
have little value without freedom,
so we must all be alert to combat
any force that attempts to take our
freedom from us.
